PROFILE

Motivated BBA student with foundational knowledge in digital marketing and hands-on experience of 1 year in sales through network marketing. Skilled in Google Ads, social media marketing, and content creation, along with working knowledge of MS Excel, PowerPoint, and Tally. Strong communication and interpersonal skills with a willingness to learn and grow in a professional environment.

WORK EXPERIENCE

Sales 2024 - 2025
Forever Living Products
Supervisor Level

- Managed product promotion and online sales activities for Forever Living Products. Led and guided a small team, handled customer queries, and converted leads into sales. Built strong customer relationships and contributed to improving overall sales performance through effective communication and marketing strategies

Digital Marketing 2025 - PRESENT
Skillyards verstality PVT. Ltd.
Digital Marketing Trainee

- Learned and applied digital marketing skills including social media management, Google Ads, and content creation. Created posters, ran basic ad campaigns, and worked on website development and dropshipping concepts.

QMS Executive 2026 - PRESENT
RG Industries
Quality Management System

- Managed Quality Management System (QMS) activities by maintaining quality documentation and records, conducting shop floor inspections, performing internal quality audits, monitoring production processes, preparing daily and weekly rejection reports, updating VCS meeting data, analyzing quality trends in Microsoft Excel, identifying process improvements, and ensuring compliance with company quality standards and procedures.

EDUCATION

Bachelor Of Business Administration (BBA) 2025 - 2028
Incredible Institute Of Management
